

A-Bear Consult LLC

Radiation Health Physics Solutions

Service-Disabled Veteran
Owned Small Business

Company Data

A-Bear Consult provides the practical answer to solving Personalized Dosimetry Services, Health/Medical Physics Essential Services, Industry Required Training, Radiation Project Management.

DUNS: 116726003

UEI: MFDNUH14MQD4

CAGE CODE: 86ZZ2

NAICS

541380	541620	541690
562211	562112	541990

PSC

H158	H258	H358
H958	R704	U004

Contact Information

Mel Hebert – President

Phone: 409-460-8382

Health Physics Professional with 30+ years of demonstrated experience in government and commercial industries.

Capabilities

- Applied Environmental Health Physics
- Medical Physicist Services
- Radiation Dosimetry Services
- Patient Radiation Dose Management Systems
- Radiation Detection Instrumentation
- Radiation Safety Management & Training
- Radiation Logistics/Brokerage & Waste Management
- Radiation Compliance/Regulatory Audits & Review
- Radiation Project Management/Oversight
- Radiation Licensing, Worker Protection Plans
- International Radiation Consulting/Management

Differentiators

- Comprehensive background in Dosimetry, Regulatory Compliance and Radiation Safety
- Served in State Agencies, Radiation Safety Officer, Radiation Laboratory Manager, Technical Services Director, and a Health Physics Consultant
- Managed multiple radioactive material licenses and permits for state, federal, and international agencies.

Active Federal Contracts

- Personnel Radiation Monitoring - Nuclear Regulatory Commission (NRC) - Contract # 31310022P0002
- Health Physics & Dosimetry Monitoring Services - Dublin VAMC - Contract # 36C24720C0047
- Diagnostic Medical Physics Services - Gainesville VAMC - Contract # 36C24821P1391
- Medical Physicist - Shreveport VAMC - Contract # 36C25620C0097
- Dosimetry Contract - Louisville VAMC - Contract # 36C24920D0014
- Dosimetry Monitoring Service – Houston VAMC - Contract # 36C25622P0333
